Sir

I am informed that 5 Cases
of Scientific Apparatus recently supplied
to Sanskrit College are to be transferred
to this College under certain conditions.
There might be some new & important
apparatus in the Stock. I would therefore
have the honor to suggest you to ask the
Principal of Sanskrit College to send
in a list of apparatus they received
together with the conditions under which
the apparatus are to be received here.

Sir,

In order to settle a question connected with the course of lectures for the Higher Grade Pleaders Examination at this College, I have the honor to enquire whether it is a practice in your College to connect the 1st year B.L. lectures at the request of students attending them, into those of the 1st year lectures for the Higher Grade Pleaders Examination.

 Dated Hare School, the 21st September 1883.

Sir,

I have the honour to forward herewith a letter from Babu Tulseydas Mukerjee, Hare School in which he tenders his resignation of his services, and to recommend that it be accepted. With reference to the vacancy caused by his resignation, I beg to recommend that Babu Prosonno Kumar Basu, 11th teacher Hare School be appointed 10th teacher on a salary of Rs 50 per mensem, that Babu Densu Chatterjee 12th teacher be appointed 11th teacher, that Babu Bhola Nath Bose 13th teacher be appointed 12th teacher on a salary of Rs 45, that Babu Poo Nath Datta 14th teacher be appointed 13th teacher. In recommending these teachers for promotion, I beg to bring prominently to your notice that their services extend to twenty years and upwards, and that they have always given satisfaction by their faithful discharge of the duties entrusted to them. Should you approve of these arrangements, I would recommend that Babu Mahesh Nath Lahiry B.A. be appointed 14th teacher Hare School on a salary of Rs 40 per mensem. I beg also to ^{request} that these arrangements if sanctioned

I consent to recommend the promotions and appointment
in the form officially proposed by Balu Bhatia katha Paul
solely on the consideration urged by him of the length of
service of the masters now promoted and of the fact that
they have not had any real promotion for several years.

I consider however that a graduate of the Calcutta
University has far stronger claims to the higher masterships
of the school, than those conferred by length of service on
junior masters who have not passed through the University.
I think therefore Balu Mohendra katha Lahiri B.A.
is put in a position with reference to the other masters
who are now promoted lower than he is by his education
entitled to be and in my opinion he has a distinct
claim for promotion on the first opportunity & should
be promoted before them ~~the~~ masters who are
now receiving promotion.

Calcutta, the 4th March 1883.

SIR,

In reference to your no 35 of 27th ultimo, I have the honour to point out that sanction of Government was accorded to the entertainment of two student-assistants in the Laboratory "who have passed the M. examination of the Calcutta University". Your recommendation is that to the Senior Student-assistantship a B. A. should be appointed. I beg to be informed if there is any special reason for this proposed deviation from the orders of Government.

I have the honour to be,

Sir,

Your most obedient servant,

G. Mellett

Offg. Director of Public Instruction

The reason for recommending
Baker as ^{assistant} ~~assistant~~ is that he
has been acting in the
place of the late Belton Baker
for about 8 months and he
has performed his work
well.
To point out in the letter
suggesting the change it was
assumed necessary always
to have one assistant who
had been say one year
in the laboratory & to
have this as the outline
the only possible way
was to find Baker
as the same
ship.

had been appointed
now as that he had
both fresh men & one
of them could have
received one year
training only instead
of two as contemplated
in the proposal
