

CIRCULAR No. 89.

FROM C. H. TAWNEY, Esq.,

Offg. Director of Public Instruction, Bengal,

TO ALL PRINCIPALS AND HEAD-MASTERS OF COLLEGES; INSPECTORS  
(INCLUDING JOINT AND ASSISTANT INSPECTORS) OF SCHOOLS; AND  
PRINCIPAL, SCHOOL OF ART.

Dated Calcutta, the 17th July 1885.

SIR,

In continuation of this office circulars noted in the margin,\*  
calling for statements required by the Government  
of India, in the Home Department, regarding certain  
appointments held under you, I have the honour  
to forward, for your information and guidance,  
copy of a further communication on the subject noted in the margin,† in  
which the term "Special Department," referred to  
in the heading to Statement II, has been clearly  
defined. The term, as applicable to this depart-  
ment, includes appointments of Europeans originally nominated to this depart-  
ment, by the Secretary of State, under clause (b) (3) of paragraph 3 of the  
Home Department circular No. 21-746-53, dated 18th April 1879, annexed  
to the communication referred to above. It should be borne in mind that  
Statement II should include only *first appointments* irrespective of the rate of  
pay attached to them.

\* Circular No. 3T-54, dated 19th  
May 1885.  
Circular No. 61, dated 11th June  
1885.

† Government of Bengal, circular  
No. 4A.D., dated 9th July last.

2. Statement I is to include all appointments of the value of Rs. 400  
and upwards, made by the Government of India or the Local Government, as  
the case may be. I inclose a statement of all such appointments in the  
Education Department, and request that you will be so good as to see whether  
the classification of officers, made in column 4 of the statement, is correct, and  
whether any officers properly falling under the above category are omitted,  
in which case the necessary particulars respecting such officers should be  
inserted by you. You are also requested to furnish the information required  
in column 5, in the light of the following observations. Column 5 of statement  
I requires that if the appointment is held by a European, it should be stated  
whether the appointment is one to which under existing orders (Home  
Department circular No. 21-746 to 757, dated 18th April 1879) Europeans may  
always be appointed in India. To determine this, it should be seen, first,  
whether the appointment is one made under clause (b) (3) of paragraph 3 of  
those orders, *i.e.*, whether the appointee was originally nominated to the  
Department by the Secretary of State; secondly, whether the appointment was  
made under clause (c) of paragraph 3, *i.e.*, whether the incumbent entered the  
branch of the Department, in which he is now promoted, before the 1st January  
1879, in both cases he can be said to have been appointed under "existing  
orders." If the appointment does not fall under either of these conditions,  
it must be one which is ordinarily reserved for natives, but to which a  
European is appointed under the provision of paragraph 3 of the above  
orders. If any special reasons exist for such appointment, they should be  
briefly stated.

3. The statements being urgently required by Government, their sub-  
mission is requested at the *earliest possible date*; if you have already furnished  
them, revised ones may be sent in their place.

I have the honour to be,

SIR,

Your most obedient servant,

C. H. TAWNEY,

Offg. Director of Public Instruction.

Nos. 21—746-53, dated Simla, the 18th April 1879.

From—C. BERNARD, Esq., Offg. Secy. to the Govt. of India, Home Dept.,  
To—Local Governments and Administrations in the Bengal Presidency.

ON the 16th February 1872 was published in the *Gazette of India* correspondence in which Her Majesty's Government had directed—

- (1) that offices to which it is desirable to appoint persons, not natives of India, should be, as far as practicable, filled from the ranks of the Covenanted Civil Service or from the Staff Corps;
- (2) that, so far as may be possible and consistent with the requirements of the public service, all offices, other than those reserved for the Covenanted Civil Service, and those for which technical or professional qualifications are desirable, should be held by natives of India; and
- (3) that, as a rule, persons with special qualifications, not being natives of India, should be engaged at home, through Her Majesty's Secretary of State, for such branches of the service as the Educational or the Public Works Department, and should not be enlisted in India.

2. Those orders have been in the main obeyed. But still from time to time Europeans have been appointed to posts for which natives are eligible, and the Governor-General in Council deems it necessary to lay down a somewhat stricter rule, and to distinguish the branches of the service which should be, as far as possible, reserved for natives of India. It may be well to cite here the definition of "Natives of India" framed by Act of Parliament. Section 6 of 33 Vic., Cap. 3, says:—

"For the purposes of this Act, the words 'Natives of India' shall include any person born and domiciled within the dominions of Her Majesty in India of parents habitually resident in India, and not established there for temporary purposes only." The section goes on to say that "it shall be lawful for the Governor-General in Council to define and limit from time to time the qualification of natives of India thus expressed, provided," &c. For the purposes of the present orders, the foregoing definition of "Natives of India" is adopted, with the proviso that "persons born and domiciled," &c., within the territories of Indian Princes tributary to, or in alliance with, Her Majesty shall also be considered to be "Natives of India."

3. For the future, no person, other than a native of India, shall be appointed to an office carrying a salary of Rs. 200 a month or upwards without the previous sanction of the Governor-General in Council in each case, unless the proposed appointment falls under one or other of the following conditions, namely:—

- (a) that the person to be appointed belongs to the Covenanted Civil Service, or to the Staff Corps;
- (b) that the person to be appointed was originally nominated to the
  - (1) Financial Department by the Governor-General after examination.
  - (2) Forest Department by the Secretary of State, or by the Governor-General, after examination, or
  - (3) Educational Department by the Secretary of State;
- (c) that the person to be appointed entered the branch of the department in which he is now to be promoted before the 1st January 1879;
- (d) that the office to which appointment is to be made belongs to
  - (1) the Opium Department,
  - (2) the Salt or Customs Department,
  - (3) the Survey Department,
  - (4) the Mint Department,
  - (5) the Public Works Department, or
  - (6) the Police Department.

4. No person, other than a member of the Covenanted Civil Service, shall be appointed for the first time to any office which is usually reserved for the members of that service, without the previous sanction of the Governor-General in Council. For the appointment of natives to such posts, regulations will, with the sanction of Her Majesty's Secretary of State, shortly be issued.

5. When sanction is sought to a proposed appointment under either of the two foregoing paragraphs, the application for such sanction should show—

- (a) the education and past history of the person whom it is proposed to appoint; and
- (b) the reason why a native of India (or, in the case of appointments under paragraph 4, a member of the Covenanted Civil Service) cannot conveniently be appointed to the vacant office.

6. Though the six departments named under clause (d) of paragraph 3 above are excluded from the operation of the present orders, the Governor-General in Council does not wish that offices in these departments should be in any way reserved for Europeans. The duties of the Opium and Customs Departments are not more technical or arduous than those of the Land Revenue and Settlements branches of the service wherein natives of India do excellent work. Men of the same race as Colonel Montgomerie's Native-trans-Himalayan explorers can surely be entrusted with responsible offices, in the survey of the plains of India. The Governor-General in Council has been glad to see that, in one most important branch of the Public Works Department of Bengal, the Lieutenant-Governor has decided that Native Engineers should be employed much more largely than heretofore. The annual police reports for the various Provinces show that native Police officers when advanced to positions of trust do their work zealously and honestly. And the Governor-General in Council hopes that it may be possible to appoint natives of India more and more freely to the higher offices in these departments. But for the present His Excellency in Council is not prepared to take special steps for restricting the employment of Europeans in the six departments mentioned at clause (d) above.

Endorsed—By the Government of India, Home Department.

COPY of the following correspondence forwarded to the Government of Bengal, Appointment Department, for information, in continuation of letter No. 20—765, dated 12th May 1885.

No. 972, dated Simla, the 6th June 1885.

From—A. MACKENZIE, Esq., Secretary to the Government of India, Home Dept.,  
To—The Chief Secretary to the Government of the North-Western Provinces and Oudh, Appointment Department.

WITH advertence to your letter No. 1712—11-492-1-3, dated the 14th ultimo, relative to certain statements which have been called for by the Government of India in regard to appointments in the Civil Departments subordinate to the several Local Governments, I am directed to say that the Special Departments referred to in the heading to Statement II are

those mentioned in paragraph 3 of the Home Department circular marginally noted, and that Statement II should include all appointments of officers attached to Special

Departments who may be serving within the jurisdiction of the Local Government concerned, notwithstanding the fact that some of those departments may not be directly subordinate to the Local Government. The statements prepared for submission to this office should only show appointments which are either wholly or partially subordinate to the Home Department.

2. I am to take this opportunity of explaining that Statement II should include not only appointments made by patronage, absolute or limited, but also all appointments made by competition to Special Departments to which Europeans are eligible, the fact that the appointments are so made being specified in the statement.

No. 1712—11-492-1-3, dated Naini Tal, the 14th May 1885.

From—J. R. REID, Esq., Chief Secretary to the Government of the North-Western Provinces and Oudh,

To—The Secretary to the Government of India, Home Department.

I AM directed to acknowledge the receipt of your letter No. 14—587, dated the 20th ultimo, asking to be furnished with statements showing certain particulars in regard to appointments carrying pay at the rate of Rs. 400 per mensem and upwards in the several Civil Departments subordinate to this Government.

2. In reply, I am to say that Statement I is under preparation, and will be submitted as soon as ready. But with reference to Statement II, I am to say that the meaning of the words "Special Departments" is not precisely understood. I am to enquire whether the names of all officers serving within these Provinces, including those in departments such as Opium, Survey, Salt, Archaeological, Geological, &c., which are not directly under the Local Government, should be shown in that list, or whether only those who are within the Province and under the Lieutenant-Governor should be included.

3. The favour of an early reply is solicited.

From—A. MACKENZIE, Esq., Secretary to the Government of India, Home Dept.,  
To—The Secretary to the Government of Bengal, Appointment Department.

I AM directed to request that, with the permission of His Honour the Lieutenant-Governor, you will be good enough to furnish the Government of India with statements in the forms appended to this letter showing certain particulars in regard to appointments carrying pay at the rate of Rs. 400 per mensem and upwards in the several Civil Departments subordinate to the Government of Bengal.

2. As these returns have been called for by Her Majesty's Secretary of State, the Governor-General in Council desires that they may be prepared and submitted to this Department with as little delay as possible, and that in their preparation special attention may be given to the explanatory notes appended to the forms forwarded herewith.

3. In the event of any doubt being felt as to the precise nature of the particulars which are required, or if any question should arise as regards any point in connection with the returns, I am to suggest that a reference should be made to this Department, as it is desirable that the statements should be prepared on a uniform system in the several provinces, that they should be as complete and exhaustive as possible, and that all errors should, as far as practicable, be avoided.

4. I am to add that the statements submitted to *this office* should be confined to appointments in the several departments subordinate to the Home Department. Other departments of the Government of India will be invited to cause similar statements to be prepared regarding the departments subordinate thereto.

5. The Registrar of the High Court, Calcutta, has been addressed direct in regard to appointments subordinate to that Court.
