Sir,

We beg to ^{Promptly} bring the following fact to
your kind notice.

We are junior Scholarship-holders,
prosecuting our studies in this College with the sole
help of our Scholarship, and have to appear
this year at the I. A. Examination.

The College fees from January to May
are collected as usual before the boys are
allowed to appear at the final Examination.
But as we are not of efficient means, it
be very hard for us to pay ~~our~~ a lump sum
of 50/- at once without getting over Scholarship.
We would be highly thankful to you if you
Kindly allow us to pay our College fees
we have got our Scholarships. Hoping to
be favourably considered,

for delay in payment of fees not only for August
but also for September & October last. This reduced fine Calcutta
of Rs 2/- if fees can not be refunded. Acem

I beg most humbly respectfully to
state that of late I have found out the application
which I produced in the month of August in which
I petitioned for allowing me to pay my College fee for
the month of August later than the assigned date. The
application was granted. But as it was not filed in
the student's application file, I was most disappointed.
As the result of which I produced another application but
went to that no favour was granted, for I did not find
it in the file. Then the date came for the payment of
College fees for the months of September & October. But as
I had not paid my fee for the month of August, naturally
I could not pay in the fees for the months of September &
October. The College then closed. And when it reopened
I produced another two applications for kindly allowing me
to pay the fees for the months of August, September & October
without any fine. But unfortunately I was fined Rs 2
And, though it went hard with me, I managed to pay the fine
for the months of August, Sept & October with the imposed fine.
But after I had paid the fees, I found the application
of the August in the file which allowed me to pay the fee
for the month of August without any fine.

In the circumstances, I humbly

Pray that you will be kind enough
to remit altogether the fine of Rs 2 which
to pay on account of the late payment
for the months of August, September &c
as it was due mainly to the missing of
application, of the month of August, which
I am sorry to hear.
