Sir,

I respectfully beg to inform you that I borrowed Basset's Hydrodynamics (Mathematics group) from the College Library on the 15th Novr. but could not return it before the 2nd Inst. and have been fined Rs. 2.75 according to the library rules. I beg to submit that I ought not to be fined for the following reasons -

(1) I had been to the library about the due return date but the Librarian informed me that the Mathematics section had been closed and that I might take away the book to be returned later on. I saw a notice too to that effect. The same state of things continued

Sir,

I beg most respectfully to bring to your kind notice that for the prosecution of my studies I have to depend mainly on a university scholarship awarded to me on the result of the B.Sc examination. The date for the payment of College fees for the months of November and December was fixed at the middle of the last month. As I could not draw my scholarship then and the College was closed soon afterwards for the Christmas holidays I had to wait till now for the payment of my fees. It is therefore my prayer that you will be so kind as to exempt me from paying the fine I am liable to.

Sir,

With due respect and humble submission I
beg to state that as my money did not
reach me in due time I could not pay
up my fees on the fixed date.

I had to pay a delay fine for which
I ought this very day, lest further delay would
make me pay a heavier fine.

I was away from the college when
rule was notified.

Further, I intended to pay the fine
I was up to this time only inquiring
in paying my fees on the fixed date.

So the being the first case I happened to
confront I personally went to the
principal's office to pay the fine.

annual of College fee for the last 4 months.

Hoping that considering my circumstances you
would kindly relax the strictness of the Fine Rule

Prayer for exemption from the payment of
fine for late payment of fees for August
to December 1912 under special circumstances

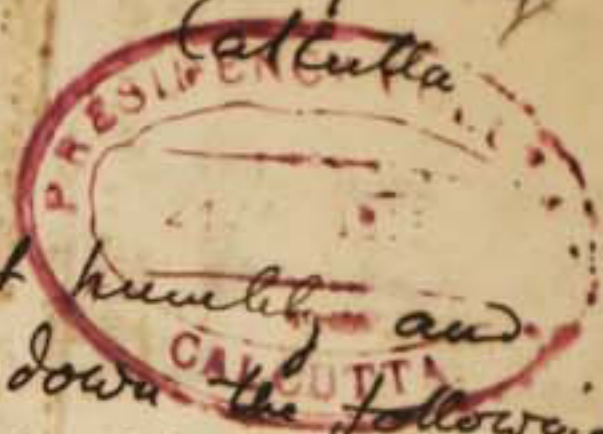

For order from

18/1

Sir,

Principal
Presidency College
Calcutta

I beg most humbly and
respectfully to lay down the following
for your kind consideration and favour-
able order -

That I am a poor student
having no one to help me. When I came
to Calcutta last year to take my
admission in this College, I had recourse
to private tuition, the only source of
my maintenance. Things went on alright
in the whole of my first session. But
as my ill-luck would have it, I lost my
tuitions owing to my repeated absence which
was due to weak health.

But, by the help of some sym-
pathetic friend I was fortunate to have a
tuition of Rs. 10/- but that sum was too
small to pay all my expenses. Consequently
I could not pay my College fee from August
1912.

That in spite of my weak health
and straitened circumstances, I did not give
up my studies but steadily went on and
passed the eleventh Test Examination of the
4th year A. Class satisfactorily.

That in order to appear in the

ensuing University Examination, I require
no doubt, a large sum of money, but
I am exceptionally fortunate to submit
to you that on this special occasion I
have been helped by my friends and
distant relatives.

That I have to pay not only
the University and College fee but also
my college fee from August 1912 to December
1912.

Under the circumstances, I pray
you would be graciously pleased to be
kind and charitable to a poor student
like me having no means and circumstances
by passing orders to accept my College fee
for the period above set forth without
any fine.

And further act of kindness
and charity, I shall, as in duty bound,
ever pray.

Thence the honour to be
Yrs.

To H. R. James Esq.

Principal Presidency College -

Respected Sir -

I am sorry to disturb you over & over
again with my case which I am sure
will meet with your favourable & sympathetic
consideration. As you are always lenient to
your students, I venture to lay before you
this case of mine. A fine was
imposed upon me for not paying at
the college fees in due time. The reason
for my not being able to pay in time
afflicted me is that my father was
then seriously ill & has been lying on his
death bed. My presence was then
vitally necessary to meet his desires.
Beside, one could easily understand
the state of mind in which I was

then.

I saw you about the matter
personally & you were kind enough to
consider my case with sympathy. I
went to pay the fees twice to the
office, but as they have not got
any instruction from the Govt, they
don't accept the fee without orders.
So if it be not presumption on my part
to request you to order the office
to accept my fees, and to give me
the intimation. I hope that
you will take my case
favorably.

I am a student of the 3rd Year Class here
in the Presidency College & that I failed
to pay my college dues for the months
~~October~~ November—December & January for which a fine
of Rs 10 has been imposed upon me. The
reason of my failure to pay was that

Sir,

I pray you most respectfully to remit me the fine to which I have made myself liable by not paying my tuition fees for the months of December & November in due time.

The fees for these two months were notified to be paid in one sum on a certain date in December. Unfortunately I could not scrape up the sum on that date.

Also about that time I applied to you for the Lata presidentship that had fallen vacant and you were kind enough to hold out some hope of my securing it, in case the gentleman you had already promised to help, did not turn up.

I have been informed sometime ago that the student in question had been found out and so the presidentship had been disposed of.

Under the circumstances I pray you most earnestly to kindly grant me this remission of fine and relieve me from the anxiety I am now in.
