The Principal,

when the Annual Exam
results are known. (1894-95)

I have the honor to state
that I am unable just now to pay
College fees for two months as required
under the College rules. I hope therefore
that you will be kind enough to permit
me to pay my College fee for April only,
the fee for May will be paid when the
College will be reopened after the long
vacation.

I beg leave to mention that
some time ago. I made an application to
the Students' aid fund for giving me some
relief as I had considerable difficulty
in supporting myself for my untoward
circumstances. I do not know how my
application has been disposed of. May I
be permitted to request you to consider
my case? I expected to get a scholarship
at the D.Sc. but unfortunately I was
narrowly missed it by five marks only.

My father who is an old man of seventy
finds it ^{very} difficult to support me. I have
therefore no other alternative than to throw
myself on your kindness. The diffi-
culties of meeting my Hostel charges
and College fees are so heavily weighing
on my mind that I am unable to
give to my studies that amount of
time and close attention which I
should.

If the Students' Fund is found
not to be in a position to bear the
additional demand now, may I
request you to bear my case in
mind when you dispose of the
applications in the next session?

I have the honor to be

I have the honour most humbly
to state that I received a book from
the College library before the Pujah
vacation. As I had to go home before
the commencement of the vacation I
asked a friend of mine to return the
book but unfortunately through his
mistake the book was not returned till
some days after the re-opening day.

It has so come to pass that
the library authorities have entered a
heavy fine of Rs 4/- against my
name for this irregular return.

I beg therefore that under
the circumstances you will kindly
remit the fine.
