

Presidency College, Calcutta.

The 22nd October 1929.

Sir,

The photos with your autograph have been duly received back and distributed amongst us and the office staff of the Presidency College will remain ever grateful to you for this and several other acts of kindness.

The Puja is just over and as it is our custom to pay our regards and compliments to our relations and friends on this occasion, I offer my heart-felt gratitude and sincere thanks to you. I shall never forget the favours I received at your hands and shall remain ever grateful.

We hope you are in good health and the climate of Chittagong suits you better than that of Calcutta.

We all in the office are doing well and fervently expecting to see you back to Calcutta soon.

With highest regards,

Yours ever obediently,

Principal R. B. Ramsbotham, M.B.E., M.A., B.Litt., I.E.S.

Will you please have all
the letters dealing with the controversy
between me and the D. P. I. over the
question of the Hostel Superintendentship
ready for me to consult on Friday next.
I want especially those ~~earlier~~ letters
which contained my protest against the
reduced allowances of the Sup: and the
containing of an extra ass't. Sup:
You will perhaps remember that I used
the phrase in one letter that the Dept's action
argued was "a forcible expression of their
mistrust in my judgement". I particular
want the date & number of that letter.

Yours sincerely

R. B. Danforth

I hope you are all keeping well.
