Principal,

The crossing of the efficiency bar in the case of Prof. Umesh Ch. Bhattacharya will take effect from 18.11.32.

Dr. Shastri reports "Prof. Bhattacharya has been on the staff for just a few months and it may be too premature to form any definite opinion - - - - -". Unless the Sr. Prof. recommends him very strongly, it will be difficult to secure permission to cross the efficiency bar.

If Mr. has no objection, we can wait & dispose of the case before the coming long vacation. Meantime Dr. Shastri may form a definite opinion about his work.

For favour of orders.
