

No. 1669(6) S 20/4/49
Presidency College, Calcutta.
The 6th April, 1949.

To

The Heads of Science Departments.

The undersigned regrets to inform that breakage charges incurred by the students of other Colleges who appeared at the University Practical Examination in Science subjects in this College in the past were not reported to the University or Colleges Concerned within the specified time and charges realised - and consequently there has been loss to Government. Heads of Department are therefore requested to see that as soon as the University Practical Examinations are over - the breakage charges are immediately reported by the internal examiners to the University or to the Colleges concerned through the undersigned. It should also be noted that according to University's Circular if such breakage charges are not reported within 2 months from the date of examinations - the Colleges are not liable to realise and remit the charges.

Serious view will be taken of any disregard of this warning.

Memo No. 671-G.A., dated Calcutta, the 7th March, 1949.

It has been noticed for sometime past that notices, posters and hand-bills, some of them of an objectionable character, are pasted in different parts of Writers' Buildings. It is hardly necessary to emphasise that Writers' Buildings premises cannot be allowed to be used as a "hoarding" for such advertisements, notices, etc. Orders have been issued to remove any such unauthorised notices found anywhere in the premises. It is expected that no employee of Government will take any part in the pasting or display of any unauthorised notices, etc. Authorised notices, etc. can be pasted or displayed only on or from which notice boards as have been permitted to be used.

It is further expected that all employees of Government will help and co-operate in putting down this nuisance by tearing off any such notices, etc. that may be put up in an unauthorised way. Disciplinary action will be taken against any employee who is found taking part in the act of putting up such notices or assisting in the same.

Dated, Cal. the 20th April, 1933.

Sir,

I have the honour to forward herewith the Physical

Director's letter No.913, dated the 10th April, 1933, and

to state that Babu Krishna Charan Majumdar, B.A., was

originally appointed as an assistant master in the Bogra Zilla School on Rs.75/- on the 31st January, 1927 and worked in that capacity upto 10th May, 1928 with a few months break. He was subsequently appointed physical instructor, Pabna Zilla School on the 4th September, 1930 and has since then held continuous service. Besides he was allowed to draw his annual increments in the time scale of pay.

His work as Physical Instructor is not satisfactory but in view of the fact that he has held continuous service for nearly three years and that originally appointed as an assistant master(English Teacher), he may be transferred to the general line as an assistant master(English Teacher).

The service book of the officer is enclosed herewith for reference.

No.....913.....

FROM

J. BUCHANAN, Esq., M.A.,

Physical Director, Bengal,

To

The Principal,

Presidency College.

Calcutta, Dated the 10th April 1933.

Subject:—

Sir,

I have the honour to report upon the work of Babu Krishna Chandra Mazumdar, officiating Physical Instructor, Hare School. A special inspection was considered necessary by the Headmaster and myself in view of the deplorable exhibition made by the school team in the annual physical training competition for Calcutta schools.

Krishna Babu joined his appointment in the Hare School at the beginning of January, 1933, succeeding an officiating Drill Master whose work was most efficient. He had an advantage, therefore, in taking over a school where the discipline was good and in which the pupils had shown themselves to be well-trained in physical activities.

I carried out the special inspection on the afternoon of 5th April, 1933, and have to report as follows :—

Record of work. The physical instructor could produce no records of the lessons he had taught to his classes during the last three months.

Plans. He had nothing to show that he had made up any programme of work for the ensuing months, nor did he appear to have thought one was necessary.

Lessons. In teaching physical training it is usual to follow a definite plan so that each lesson will include activities of different kinds. The physical instructor outlined the plan that he followed in the case of all classes, but this was quite different from that followed in his teaching of the two classes I saw at work. The plans for these two classes actually differed from each other.

Exercises. Immediately after he had taught two classes I asked Krishna Babu to repeat the exercises he had just taught. He had only the vaguest of notions, making random statements which proved that he had not even prepared these lessons.

References. Krishna Babu stated that he followed generally the scheme of work laid down in Dr. Noehren's book, "Physical Activities for Schools". Regarding the work he had just taught to class VIII, he gave as a reference the chapter devoted to activities for boys of class VI. Even then, there was nothing to show that his ideas were taken from this chapter.

Teaching methods. As a teacher Krishna Babu is distinctly poor. He did not show any of the personality, confidence, or teaching ability that are required of a physical instructor. His explanations were not clear, the few demonstrations that he gave were careless, and he allowed many mistakes to go uncorrected. After making all allowances for the heat of the afternoon, the response of the boys to his teaching was decidedly ineffective.

Discipline. The boys were quiet and well-behaved, but not always attentive. I believe their quietness and good behaviour were due more to my presence than to the powers of control of the instructor, and this is supported by the headmaster's opinion, stated verbally.

In the circumstances, I have to report that in my opinion, Krishna Babu is inefficient, and is not likely to improve. His notion of his work seems to be that each class can be dealt with spontaneously as it appears, without reference to the capacities of the boys or to what they were taught in the past, and that preparation of a systematic course of lessons is unnecessary. If he continues in the school, the deterioration in the work of the pupils which has been so marked during the last three months, is likely to continue.

I therefore recommend that his services should be dispensed with, and that a more efficient trained physical instructor should be appointed in his place.

Sir,

With reference to your No. 1407 A (Confidential) dated the 1st March 1933 regarding the proposed transfer of Maulvi Kazi Abdul Wadud as Lecturer in Bengali, Presidency College, I have the honour to state that I cannot think of the Maulvi in that capacity. If his life at Dacca is unhappy, his position here would be impossible in the absence of ^{any} his academic qualifications in the subject he teaches. It is moreover certain that the University will raise a strong objection to the arrangement. If any private college had suggested such an appointment, I, as a Syndic, would have recorded my strong disapproval and I am sure that the Director of Public Instruction and other Syndics would have agreed with me.

Subject:—

Sir,

I have the honour to state that the transfer of Moulvi Kazi Abdul Wadud, Asstt. Master (Lecturer) of Bengali, Dacca Intermediate College, on Rs.150-10-400, has become administratively necessary. One of his ex-students had written an article, which was strongly objected to by the orthodox moslems and the student had to recount his opinion publicly. Owing to the previous connexion of Moulvi Abdul Wadud with the student, his life at Dacca has been made unhappy and consequently he wants a transfer from Dacca. The Moulvi has, also, applied for a transfer to a college at Calcutta in order to facilitate his research work in the "Literature and Life of Bengal in the 19th century" and to make proper arrangements for the medical treatment of his wife, who has been ailing for sometime past.

2. The particulars of qualifications, age, etc., of Moulvi

Kazi

Kazi Abdul Wadud are given on the margin *.		Though he
Qualifications - M.A. (Economics. Cl.II)		holds M.A. degree
Date of birth - November 1896		in Economics he is
Date of 1st appointment to Government service - 18th August 1920.		actually a lecturer

		capacity he has been

serving since the 18th August 1920 with considerable success. He is reported to be a good disciplinarian, to have mental alertness and literary talent and to take part in the activities of the College Union.

3. The transfer of Moulvi Kazi Abdul Wadud to a mufussal College or to the Islamic College at Calcutta does not appear to be a suitable arrangement. It is accordingly proposed to transfer him to the Presidency College in exchange for Babu Sasanka Shikhar Bagchi. I have, therefore, to request you to let this office know whether you have any objection to the transfer of Moulvi Kazi Abdul Wadud to the Presidency College.

Sir,

I have the honour to invite a reference to your letter No. 7226 A dated the 16th September 1931 asking for my opinion on the termination of the appointment of Mr. Upendra Nath Ghoshal on the 23rd December 1931.

I have to inform you that though the fourth year class will be dissolved after the X'mas holidays, tutorial classes for 3rd and 5th year classes will have to be taken in hand, and the total number of working hours will be approximately the same as in the busy season (July to December). I know that Sir J. C. Coya-jee did not press for the retention of Mr. Ghoshal's services after X'mas last year, but I would like to impress on you the obvious fact that Sir Jehangir's presence in the College was a source of great strength to the Economics Department. His retirement has naturally weakened the staff and it is extremely undesirable to weaken it further.

I, therefore, strongly recommend that the services of Mr. Upendra Nath Ghoshal be retained up to the beginning of the Summer Vacation of the College in 1932.

Sir,

I have the honour to invite a reference to Government order No. 472-T/Edn., dated the 4th June 1931, (a copy of which was forwarded to you with this office endorsement No. 4542-A., of the 15th idem), sanctioning the appointment of Mr. Upendra Nath Ghoshal to act as Lecturer in Economics, Presidency College, in the temporary Bengal Educational Service post created in that order.

2. As the term of the above-mentioned appointment expires on the 23rd December next, I have to request you to be so good as to let this office know whether you consider it necessary to continue the appointment beyond that date. As the period from January to June constitutes a slack season (the 4th-year students being then away), it may be possible to do without the post until the beginning of the next session. The question of making more suitable arrangements in place of Sir Jehangir Coyajee from the beginning of July next is already

under the consideration of this office.

Dated Calcutta, the 14th September 1931.

Sir,

With reference to your letter No. 7124 A dated the 10th September 1931, I have the honour to forward the following figures for your information :-

- i. Number of Professors and Lecturers in Mathematics.....6
ii. Number of students

Intermediate	283

Post-Graduate (in cooperation with the University)	36

- iii. I am prepared to undertake not more than 3 hours' work per week, but I did not wish to disturb the arrangements at the middle of a term when I joined my present post.

I take the liberty of pointing out that the question of the staff of the Presidency College was thoroughly gone into by the Presidency College Reorganisation Committee which met in 1925 (Appendix IV, Second Report). Among the recommendations of the Committee was the creation of a sixth teaching post in the Mathematics Department (Para 16, page 7 of the Second Ad-Interim Report). The reasons for the increased staff have not ceased to exist.

I may add that my appointment to ~~the~~ present post does not materially affect the position, as I can offer only a small help towards the teaching work.

If, however, the Government decides to do away ~~and~~ with the post, I hope the arrangement will be one of temporary abeyance only.

Sir,

I have the honour to invite a reference to a letter dated the 28th July 1931, which was published in the Statesman on the 12th August 1931, addressed to the Editor of the Paper 'Statesman' by Babu Bankim Chandra Roy, Assistant Master, Hindu School, who is the Secretary to the "All Bengal Government ~~for~~ School Teachers' Association",

2. The subject matters of the letter were discussed between the Hon'ble Minister-in-charge of Education and the deputation of the Association, which waited upon him on the 18th July 1931, and are still sub-judice. As the publication of the letter is likely to embarrass the relation between Government and their servants serving in Government Schools in case the decision of Government be not favourable to the wishes of the deputation, Babu Bankim Chandra Roy should not have published the letter in the newspaper without obtaining the previous permission of Government. He is therefore guilty of a breach of service discipline and of the provisions of

rules

rules 17 and 20 of the "Government servants' conduct Rules."

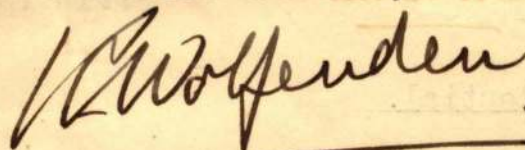

3. In the circumstances stated above, I have to request you to obtain an explanation from Babu Bankim Chandra Roy as to his conduct in publishing the letter in a Newspaper in contravention of the Government servants' conduct Rules and to submit the same to this office.

4. The matter should be treated as very urgent.
