

H. E. Stapleton Esq. D.M.

Darjeeling.

My dear Stapleton

June d.o. T 208 of 18/9.

I return the extract from the Dainik
 Bittan of Sept. 16th

You will remember that a discussion
 took place at the recent meeting of the
 G. B. regarding the combination of free-
 studentships with provision stipend; and in
 my no. 116/2168 of 8/9 last I put the
 whole matter before you at length, with a
 view to getting Govt. to withdraw its restriction.
 Probably this letter has not yet come before
 you. I have asked Wolpender (who has since
 me a similar complaint from the 'Business'
 man' of 12/9) to send you the case. In the

measures & it is perhaps unnecessary
for me to do more than say that the
restriction on combining fellowships with
the stipend ~~is~~ was imposed by Govt.; that
the Stat. of this College has recently been
improved at the instance of the A.G.B.

that his action in allowing such combinations
was irregular; ^{(A.G.B. E. memo 35745 of 19.10.20);} and that under ~~the~~ instructions
from the G.B. I have placed the whole question
before you for reconsideration.

I may add that the Award Committee
which made recommendations for the part-
of fellowships & the stipend consisted of
6 Honors & 2 Hon^{rs} Professors. The recom-
mendations were unanimous. The Committee
has only ~~advised~~ advisory, so that had the
body of members had any objection to raise they
would have been ~~at~~ at perfect liberty to bring it to my notice.

Yours sincerely,
W. 23/9
