Dear Mr. Pelly,

As I told your wife before leaving the Prize-giving, I was living in such a rush all yesterday that I forgot to bring with me a small X'mas present towards the funds of the Hebrew Mission School, so I now send it by cheque, with my best wishes. I was very sorry not to be able to stay until the end of the programme but the way in which the first two items were performed showed how carefully Miss Staples and her staff had coached the children.

With X'mas greetings,

Yours sincerely,

P.L.
