

My dear Stephen

Enclosure of my d.o.

Ed. of yesterday, I write to inform you that Mr. D. K. Sen was assaulted yesterday afternoon on his way home by a gang of 5 or 6 men who knocked him down and

pummelled him on the head and shoulders, the latter rather badly raised. This incident, I am informed that 5 or 6 men with sticks have been ~~noticed~~ noticed

biting near the house of Mr. S. C. Hazare, and that he may be unable to come to the College. I will let you know of course if anything comes this head to any further development.

Yours sincerely,
M. K. Sen

My dear Stapleton,

'Likely' I am informed
has been publishing extravagant articles
on the situation here, & has repeatedly men-
tioned two members of the Staff, Messrs.
D. K. Sen and S. C. Hazaradar, by name.
I do not know what the object of this is,
but the effect seems to have been to give
some ground for apprehension that these
gentlemen may be molested.

Would it be possible for Rufell Barrett
to do anything about this?

Yours sincerely,
M D - 17/7
