The Head Master, Hindu School,
Calcutta.

Sir,

I beg to offer myself as a candidate for the post of the Assistant Master of the Hindu School, which has fallen vacant under your kind disposal in answer to your advertisement in the "Statesman" of the 17th inst.

I was educated at the St. Xavier's College Calcutta and passed the B. Sc. Examination in the year 1920. My subjects in the examination were Physics, Chemistry and Mathematics.

I may mention here that I have some experience as a teacher of boys of Matriculation and Intermediate course, as I served as a coach to some boys of the above mentioned course and one of my private students who belong to your school has this year appeared in the Matriculation examination.

I am a keen sportsman, well up in all kinds of out-door games. I use to train young boys in games and sports some of whom have achieved brilliant success in your school sports and other well-known sports of Calcutta, and I am proud to count Rathindra Nath Guptā, Ramendra Nath Guptā and Ajit Kumar Ray of your school among them.

I am a "Private" in the 2nd Division (H. M. C. A.) of the St. John Ambulance Brigade

and stood first in the Brigade's Examination held in the year 1932. I have undergone training in the Campbell Hospital and attended 'Public Duty' on many occasions.

I have qualified myself in Shorthand and typesetting and I am about 24 years old now.

I enclose herewith Copies of testimonials regarding my character and other attainments.

Should you select me I shall do my best to give you every satisfaction by Punctuality, industry and honesty.
