

Prof. Louanilla reports that Mr. Parker Nye
is not doing his duty satisfactorily. He states that
he is frequently late, & sometimes enters lecture in
class or dismisses the class early; and that
he has failed to finish the course which was fixed
for him. Mar 5/3

The lecturer denies the above statements, & says he
has finished the course fixed. He apologized they
might be repeated to. Mar 5/3

Prof. Louanilla reiterates his charges. He will
keep an eye on the lecturer, & if he sees further
reason to believe that he is shirking his duties,
will inform me & give me an opportunity of
perceiving the fact myself. Mar 6/3
